
Graphology Solutions

Graphology Analysis Instructions:

Explanation of the graphology method – in order to perform a graphology analysis, a graphologist needs a sample of handwriting – one full page of prose (no poetry or text copied from elsewhere), written on an unlined sheet of A4 paper:

Please note that:

1. The written sample should be signed and dated.
2. The author can write a page of free prose on any subject,
3. The author should be relaxed and write in his/her usual style,
4. The author uses a fountain pen or ballpoint (no felt-tip pen or pencil).
